## FEATURES

**Direct Drive Motor**  
High efficiency  
& low noise

**Power Saving**  
Save more  
electricity

**Auto Needle Positioning**  
Precise &  
accurate stitching

**Display Panel**  
Easy & smart  
operation

**LED Light**  
Bright & clear  
visibility

**Low Vibration**  
Smooth & stable  
performance

**Strong & Durable Body**  
Long lasting  
performance
